SJSS Series Sanitary Swivels

NEW AND IMPROVED

Trust Dixon swivel joints when your process lines need to have flexibility to prevent hoses from kinking or making a flow path change on a flow plate.

Our SJSS series swivels are available in sizes 1" through 4" with a 316L stainless steel body and silicone or EPDM elastomers.

What's new and improved?

- · Longer inner body for easier repair kit insertion
- · Large chamfer for rapid, smooth assembly
- Updated wingnut
- EPDM gaskets now available
- 3A Certified COP
