

GET YOUR **FREE HYDRAULIC CRIMPER**

*Do you crimp a lot of hose?
Our program will allow you to use
a new Hydraulic Crimper on-site
for the cost of business as usual.*

HOW DOES IT WORK?

Anderson Process will provide you with a new Hydraulic Hose Crimper upon entering our Hydraulic Crimper Program Agreement.

TERMS OF THE AGREEMENT:

- Sign a Loan Agreement with Anderson Process
- Agree to purchase all future hose and fitting products from Anderson Process
- Place an initial stock order to be mutually agreed upon by you and your Anderson Process representative (usually half the cost of the crimper)

WHAT'S IN IT FOR YOU?

The use of a brand new hydraulic crimper without the initial investment.

Utilizing great equipment for the cost of inventory that you already replenish.

Reduced downtime for yourself or your customer by having crimping capabilities on-site.

A partnership with Anderson Process for access to the highest-quality hose and fittings.

Available Crimpers from Continental
